NEW MEMBERS

The Chair advised that no applications for membership had been received during the past month.

The chair noted that for the long term viability of the association we should all help to recruit new members

REPORTS and GENERAL BUSINESS

The recent Hunter Valley Arms Fair at Maitland was a success in our view. We had a steady stream of visitors and members visit our display stand, on both days. Thank you to Ross Torrington and Richard Knowles for their magnificent displays and manning the display all weekend. Pls see our u-tube segment. Saturday was very busy until approx 2pm. There is still some rare items occasionally and lots of webbing and equipment to find.

Margaret Jarosz noted a change of address and phone numbers is still an ongoing issue. Please contact the current association committee and not Margaret (as she is now retired), for your Association questions.

Margaret Jarosz queried as to whether our newsletters or minutes were still being sent to the State & National Library as a matter of record. NT noted he would check with the Secretary.

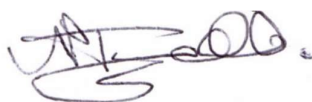

The 50th celebration Luncheon was discussed, (14 DEC Ingleburn). Bookings requested now.

2 The Arms and Militaria Collectors' Association of NSW

A draft / Proof of the AMCA of NSW proposed PLAQUE was circulated, ALL present were happy and agreed to proceed.

Another FAR fact sheet is the "Deceased Estate details". This is worth downloading and discussing with your Partner / Family. Not a subject we enjoy discussing, but being prepared is always worthwhile. Let your family know what are your wishes for your collection. Let them know who is a trusted friend or relative who can help them at this stressful time. Please let your Family know that we (The AMCA of NSW) is always prepared to help, they can ring 0487775556, and we will help.

There being no further business the Chair declared the meeting closed at 1351pm – a discussion of collectors' items then commenced.
